**Re: Note for Students & Parents - Filming at Hamilton Conservatory for the Arts on Friday, October 5**

Dear HCA Students,

This Friday, October 5, HCA will have a Hallmark Christmas movie, "Christmas in Vermont" filming in our building.

We have a few changes to let you know about:

**Entrance:** The front doors will be locked. Please use the side entrance, which is to the right of our main doors. We ask that all students keep as quiet as they can when they enter the building, as filming will be happening in our front lobby. The front lobby will be out of bounds until the filming wraps.

**Josh's Hip Hop Classes:** Will be moved up to Studio C (3rd floor)

**Nancy's Piano Classes:** Will be moved to Studio 17, on the 2nd floor.

**Denise's Classes:** No changes. Will be remaining in the Recital Hall.

If you have any questions, please don't hesitate to ask!

All the best,

HCA Administration
