

HAMILTON CONSERVATORY FOR THE ARTS

August in-person classes will take place in STUDIO B (the lower level studio). As there are building renovations occurring and COVID-19 health and safety are of utmost importance, please read the following procedures/protocols carefully:

- Masks or face coverings must be worn by students while they are inside the building, as per the City of Hamilton By-Law 20-155.
- Students will enter the building through the side entrance (to the right of the main doors). Students will wait outside until the instructor allows them into the building. Parents/guardians are not permitted to stay in the building beyond this drop-off period.
- Exit will be through the lower level art studio door. The instructor will escort students out.
- The majority of the building is closed, including the office. Administrative staff will not be present.
- Studio B will be marked off with tape for clear physical distancing, and the studio will be wiped down before and after each class.
- Hand sanitizer will be provided upon entry and before leaving, and in the studio.
- Prior to entering the building, students may be screened for temperature and/or asked the screening questions (listed on page 2).
- As the changeroom will not be sanitized between classes, we ask that students arrive in their dancewear.
- Please bring a water bottle, which is not to be shared with other students.

SCREENING CHECKLIST:

Please review the following checklist before each class. If you answer yes to any of the following questions, we ask that you refrain from attending class until you have been cleared by a physician or self-isolate for 14 days. In this case, please email info@hcarts.ca for the Zoom link at least an hour prior to class, as it is also being streamed via Zoom for students who may not yet be comfortable entering the studio.

Do you or anyone in your household currently have any of the following symptoms?

- Fever
- Runny Nose
- Cough
- Shortness of breath
- Sore Throat
- Vomiting or diarrhea
- Fatigue with no explanation
- General feeling of being unwell
- None of the above

In the last 14 days, have you been in contact with someone who has tested positive for COVID 19 or displayed symptoms listed above? *

Yes

No

In the last 14 days, have you or anyone in your household returned from travelling out of country?

Yes

No

Thank you so much for your attention to these procedures/protocols. If you have any questions, please don't hesitate to contact us at info@hcarts.ca

Best,
HCA Administration
